¹⁰ In the event that the date of maturity of the futures, indicated on the website of Deltastock, the exchange on which the base asset is traded is with reduced working hours and closes prior to the future maturity, the closure of the futures are carried out at an average price rate between the buying and selling rate of Deltastock at the time of closure, announced by the Exchange.

VI. Concluding Terms and Conditions:

- §1. This Tariff repeals and replaces the Tariff of Interest Rates, Fees and Commissions of Deltastock, adopted on 11.08.2017, last amended on 15.03.2018, effective from 22.03.2018.
 - §2. The specific articles of cancelled versions of the Tariff referred to in concluded agreements shall be replaced with identical by subject and regulation articles of this Tariff, regardless of the numbering.
 - §3. Deltastock reserves the right, in its sole discretion, to apply changes to this Tariff, upon changes in the market conditions, or in the commissions and fees of the company's servicing institutions. These changes will be duly announced.
 - §4. This Tariff of Interest, Fees and Commissions of Deltastock was adopted at a meeting of Deltastock's Management Board on 27.07.2018 and enters into force on 30.07.2018.
-
